FAX: (510) 987-9224

December 1, 2011

## TO THE REGENTS OF THE UNIVERSITY OF CALIFORNIA:

### SUMMARY OF COMMUNICATIONS RECEIVED

The following are summaries of communications received subsequent to the November 1, 2011 report of communications. Please let us know if you wish to have a copy of any of those listed.

1. The following correspondence was received regarding recent police actions in response to student protests on the UC Berkeley and Davis campuses:
  - a. 2275 emails as part of an email campaign entitled "Resign" calling for the resignation of the UC Davis chancellor.
  - b. 929 emails as part of an email campaign entitled "End Police Abuse Now" criticizing police actions.
  - c. 534 individually written emails criticizing police actions and calling for the resignation of the UC Davis and UC Berkeley chancellors.
  - d. 9 letters, including from Speaker and ex officio Regent Pérez, criticizing police actions.
  - e. 3 emails expressing concern over the selection of a former LA police chief to head the investigation of police incidents on the Davis campus.
  - f. 2 emails in support of the police actions taken in response to student protests.
  - g. 2 emails expressing concern over the partial closure of the UCSF Mission Bay Community Center during the meeting of the Board of Regents.
  - h. Email from Regent Emeritus Robert Murphy in support of UC Davis Chancellor Katehi.
  - i. Email from the Coalition of University Employee/Teamsters expressing solidarity with UC students.

- j. Resolution from the California State University, Stanislaus Academic Senate in support of UC students' and faculty members' rights to peaceful assembly.
- k. Declaration from the Stanford Law School Chapter of the American Constitution Society in support of the constitutional rights of student protestors.
- l. Petition from CREDO Action calling for the protection of protesters' First Amendment rights to peacefully assemble and to ban the use of chemical agents and physical violence against nonviolent protesters on UC campuses.
- 2. 7 emails criticizing salary actions approved by the Board at its November meeting.
- 3. 4 emails expressing concern over tuition increases at the University.
- 4. Email urging the University to support a campaign for public school funding by reducing the national defense budget.
- 5. Email thanking the Regents for pledging that there would be no mid-year tuition increases this year.
- 6. Email questioning the Berkeley campus' establishment of an engineering campus in China.
- 7. Email urging the Regents to advocate more strongly for increased funding for UC.

The President forwards the following communications:

- A. The following correspondence was received from UC students, faculty, and staff regarding recent police actions in response to student protests on the UC Berkeley and Davis campuses:
  - i. Email from the UC Davis Police Officer Association expressing concern over the leadership provided by the Davis campus' police chief.
  - ii. Email from the UC Berkeley Police Officers' Association urging the University community to view recent police actions on the Berkeley campus within the context of their duty to protect public safety, budget cuts, and University policies.
  - iii. Petition from the UC Berkeley Department of Theater, Dance, and Performance Studies condemning police actions.
  - iv. Letter from the UC Berkeley Department of Mathematics condemning police actions.

- v. 2 emails from faculty members expressing concern over the selection of a former LA police chief to head the investigation of police incidents on the Davis campus.
- B. 2 emails, 1 from a staff member and 1 from a student, criticizing salary actions approved by the Board at its November meeting.
- C. Letter from the Council on Student Fees expressing its opposition to the “Four-Year Plan” discussed at the September meeting of the Regents.
- D. Resolution from the Associated Students at UC Merced recognizing the dedication, work, and spirit of the Office of the President and the Board of Regents for their efforts to promote the goals of the California Master Plan, ensure fiscal stability, support the Merced campus, and maintain access to the University.
- E. Email from a student providing research that tuition increases at the University would enhance access and affordability.
- F. Email from a staff member expressing concern about increased staff contributions to the University of California Retirement Plan in 2013.
- G. Email from a student urging the University to support the abolishment of capital punishment in order to secure more funding for public education in California.
- H. Email from a faculty member expressing concerns about the appearance of a 2012 presidential candidate who promoted anti-Muslim sentiment in previous actions and speeches.
- I. Email from student expressing concern that freedom of speech was denied to a 2012 presidential candidate scheduled to speak on the UC Irvine campus.
